Directs that all the School Board Officers be treated as Unit officers for their respective Charge in respect of appointments within their power of patronage in the Department.

DC Mangalore
29/1/1932

Serial No.

Letter No. A1-1787-399/31-32 dt. 20.11.1931 from the Director of Public Instruction in Mysore recommending that all the School Board officers may be treated as Unit officers for their respective charges for purposes of recruitment rules.

F.

According to G.O. No. 3-62/ cxiii 1.37-4 dt. 9.10.1937 the following are the Unit officers for the Education Department:—

1. The Director is the Unit officer for the establishment of the Education Department as regards recruitment under his orders.
2. The two Deputy Directors for their respective Divisions as regards appointments within their power.
3. The Eight Dist. & Dl. officers for their respective Districts as regards appointments within their power.

It is now stated that in

NOTE—Contn. Sheet.

connection with the transfer of control of Primary Education to Local Education authority, the Dist. & dl. officers have been appointed ex officio School Board officers except in the case of (1) Kent School area, (2) Liverpool City and (3) Durham County where the respective Assistant Inspectors of Education have been appointed as School Board officers. As only the Dist. & dl. officers are now the unit officers for their respective districts for purposes of recruitment and as the Assistant Inspectors in the above named three places are independent of the Dist. & dl. officers in respect of School Board work, it is recommended to treat all the School Board officers as unit officers for their respective charges for purposes of recruitment

Dft. Subd. for orders.

17.12.31. The proposal will amount to treat the 3 Assistant Inspectors as Unit Officers in addition to the D.E.Os for purposes of classification of Vacancies under their control into General and Special Vacs and their disposal according to the rules

Serial No.

The question of treating the entire department of Education as one to see whether the 50% limit is reached so as to classify every third vacancy instead of the fourth among the direct recruitment vacancies, as at present, will remain unaffected as heretofore.

Subject to the above the proposal of the D.P.I. may perhaps be accepted.

As this question involves a change of principle, it may perhaps be placed before the Board at its next meeting.

Subd for orders
